---

Eric -

See below - We're not entirely clear about the situation with Westinghouse. Dawn would be your best source of info if you're still trying to track this down.

47 I believe, but I'm having trouble confirming that. According to my notes there is no direct connection to the City sewer from the site.

Tom

Tom -

Eric B is trying to find out what outfall westinghouse drains to, so they can add this area to their fish sampling plan. Do you know?
